

GGML emerged as the overall winner at the 5th National Mining Technology Exhibition

Dr. Ashatu Kijaji (second from left), Minister of Investment, Industry, and Trade joined by Geita Regional Commissioner Martin Shigella (left) and Minerals Minister Dr. Dotto Biteko (second from right), congratulated GGML Managing Director Terry Strong (right), as he accepts the award for the overall winner at the fifth National Mining Technology Exhibition.

Geita Gold Mining Limited (GGML) emerged the overall winner and first winner among the major mining companies at the 5th National Mining Technology Exhibition held at the Investment Zone (EPZA) in Geita.

GGML also received a Certificate of Appreciation for its great contribution to the industry during the exhibition, which was held from 27th September to 8th October 2022.
