

Regional Leaders Gather in Bukombe to Honor International Women’s Day

On March 2nd, our incredible Geita Gold Mining Limited (GGM) ladies proudly took part in the Bukombe celebrations alongside Hon. Dr. Doroth Gwajima (MP), recognizing the vital contributions of women across various industries, including the mining industry.

As we gear up for International Women’s Day, this event showcased the remarkable progress of women-led initiatives.

From innovative food solutions to healthcare advancements and strengthened partnerships, our collective efforts continue to drive a more inclusive and diverse future.

Huge thanks to everyone who made this event a success!
