

Countdown to International Women's Day: Annual VIP Event PreIWD

As we step into Women's History Month and approach International Women's Day on March 8th, we're proud to have been a sponsor of the Annual VIP Event PreIWD, spotlighting the remarkable contributions of women in the extractive industry.

This event wasn't just about celebration, it was about progress, challenges, and the road ahead to more inclusion and opportunity.

AngloGold Ashanti Tanzania is committed to creating a more supportive workplace. Our recent policy improvements in maternal care, including standby transport for breastfeeding mothers, earned us the Best Policy Improvement Award, a milestone we're proud of!

A huge thank you to Azurite Management & Consultancy and EcoGraf for hosting such an impactful event. It was an honor to engage with incredible industry leaders, including Hon. Dr. Doto Mashaka Biteko (Deputy Prime Minister & Minister for Energy of Tanzania).

Special thanks to sponsors like Mining Finland and Investing in African Mining Indaba for their support. We're excited to continue the momentum at the Mwananchi Rising Woman Initiative 2025 under the theme "Accelerate Her Impact" this Friday!
