

AngloGold Ashanti Tanzania Honoured with Sustainability Partner Award at CEOrt@25 Legacy Celebration

The CEO Roundtable of Tanzania has just celebrated 25 years of strengthening **public-private dialogue**, and we were proud to support this milestone as both a sponsor and a long-term partner.

Centered on the theme **Legacy in Motion**, the event looked back on Tanzania’s economic progress and highlighted what’s made it possible: **strong collaboration across sectors**. It also felt especially meaningful for us, as Geita Gold Mine is marking 25 years of operations too. It is another reminder that **lasting progress comes from trust, shared purpose, and long-term commitment**.

We were also honoured to receive the **Sustainability Partner Award**, accepted on behalf of the company by **Simon Shayo, Vice President: Sustainability & Corporate Affairs (Africa)**.

This recognition is a proud moment for our team and a reaffirmation of what we stand for: **responsible mining that empowers people and advances societies**. We remain committed to being a trusted partner in Tanzania’s growth and to creating sustainable value as a **leading global gold mining company**.

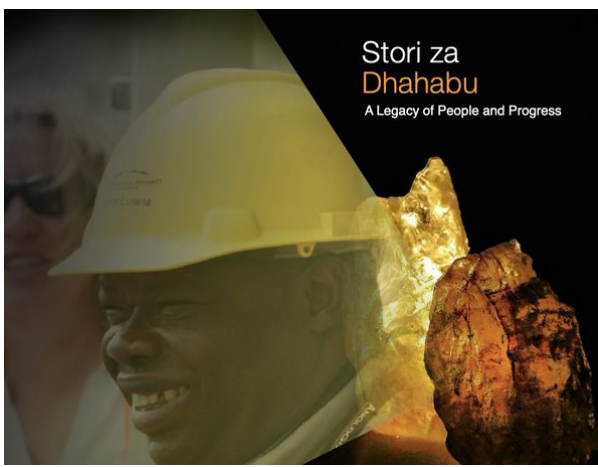

Latest Updates

Supporting the Next Generation in Geita: We Listen. We Partner. We Deliver.

We recently took part in the Geita District Youth Congress, a strong reminder of why youth empowerment sits at the heart of long-term national development.
