

Tanzania’s Minister of Labour Commends Strong Safety Culture at Geita Gold Mine

On the 21st of February 2026, Geita Gold Mine welcomed **Tanzania’s Minister of Labour, Employment and Industrial Relations, Hon. Deus Clement Sangu**, for an official site visit. He was accompanied by the **Geita District Commissioner, Hon. Hashim Komba**.

The Minister was received by our **Managing Director, Ashraf Suryaningrat**, alongside **Dr. Kiva Mvungi, Senior Manager - HSE, Gilbert Mworira, Senior Manager - Sustainability & Isack Senya, Safety Manager**. The purpose of the visit was to observe how occupational health and safety systems are implemented at the mine and to engage on broader industry collaboration.

During the visit, the Minister commended GGML’s strong safety culture and leadership in responsible mining. He noted that **consistent safety performance supports sustainable operations and national development**.

The mine’s contribution to Tanzania’s economy through tax compliance and local employment was also recognised.

Discussions further highlighted the importance of **maintaining strong relationships with host communities, supporting youth empowerment initiatives, and strengthening local content participation to grow job opportunities**.

Overall, the visit was a good reminder of the value of continued collaboration between government, regulators and industry **to advance occupational health and safety standards across Tanzania’s mining sector**.

Many thanks to the **Emergency Response Team** for a fantastic demonstration, once again showing why we are a regional leader in occupational health and safety!
