ANGLOGOLD ASHANTI
GEITA GOLD MINE

INVITATION FOR EXPRESSION OF INTEREST – PRE-QUALIFICATION OF SUPPLIERS FOR REAGENTS EQUIPMENT FOR THE GEITA PROCESSING PLANT EXPANSION PROJECT

I. Introduction:

Geita Gold Mining Limited ("the Company"), a subsidiary of AngloGold Ashanti ("AGA") is in north-western Tanzania, in the Lake Victoria goldfields of the Geita region, about 5 km from Geita town.

The Company is in the process of pre-qualifying suitably qualified and experienced suppliers for the provision of Reagents Equipment in support of the Geita Processing Plant Expansion Project and is therefore inviting eligible and interested applicants to submit expressions of interest as detailed below.

NB: THE DOCUMENTS REQUESTED BELOW MUST BE SUBMITTED WHEN EXPRESSING INTEREST. SHORTLISTED CANDIDATES WILL BE SUBJECTED TO THE ANGLOGOLD ASHANTI VETTING PROCESS.

II. Scope of Supply:

The Company requires a suitably qualified and experienced supplier to provide reagents equipment and associated systems in support of the Geita Processing Plant Expansion Project.

The scope could include, but is not limited to, the provision of equipment and associated systems required for reagent handling and use within the expanded processing plant (e.g., skids, systems, screens, pumps and tanks).

Final scope, equipment configuration, quantities and technical requirements will be confirmed through the Project's engineering and feasibility study activities.

REFERENCE NUMBER	DESCRIPTION
GGME02274	**REAGENTS EQUIPMENT FOR THE GEITA PROCESSING PLANT EXPANSION PROJECT**

III. Information Required:

The following requirements are mandatory. An applicant that does not submit a valid document for each mandatory item will not be considered for shortlisting, irrespective of the score achieved against the criteria below: Certificate of Incorporation; valid Tax Clearance Certificate, TIN Certificate and VAT Registration Certificate; and an approved Local Content Plan or, in the case of a non-indigenous applicant, evidence of a joint venture arrangement complying with the Mining (Local Content) Regulations, 2018 (as amended), proof of CRB and ERB certificates of registration.

PRE-QUALIFICATION REQUIREMENTS
COMMERCIAL
Company Profile and Updated Organogram
Company Code of Conduct and Ethics
Current Business Licenses
NSSF Compliance Certificate
Certificate of Incorporation, the most recent BRELA Search, and the latest BRELA Application of Annual Return.
Valid Tax Clearance Certificate (TCC), TIN Certificate and VAT Registration Certificate
Company Memorandum and Article of Association
Compliance with Mining Act-Approved Local Content Plan.
FINANCIAL POSITION AND TERMS OF TRADE
Audited Financial Statements for the last three (3) years.
Bank Statements of all active bank accounts for the past 6 months
SAFETY AND ENVIRONMENTAL MANAGEMENT SYSTEMS
OSHA Compliance Certificate
Environmental Compliance Certificate
Workers' Compensation Fund Certificate
Safety and Environmental Policy
OTHER POLICIES
Gifts / Hospitality / Sponsorship Policy / Procedure
Policies / Procedures dealing with Forced and Child Labor
Policies / Procedures dealing with Abuse, Discrimination and Harassment
Grievance Procedure
Human Rights Policy / Procedure / Programme
PAST EXPERIENCE
Provide at least 3 recommendation letters from different clients
TECHNICAL CRITERIA
Project Experience and Track Record • Project experience in gold processing plants and in particular on the African continent. • Examples of similar installations
Equipment and Material Selection • Confirmation that equipment is "fit-for-purpose" and suitable for operation at the Geita site (alignment with specifications and datasheet) • Maintenance requirements and proposed spares
Key Personnel • Design engineers within the required disciplines (Process, Mechanical, Piping, Electrical, C&I, Structural) • Drafting and 3D modelling team
Systems, Tools and Resources • Availability of required planning and design resources • Engineering design, estimating, risk assessment and scheduling systems • Evidence of International registrations and certification (ISO 45001 OHS, ISO 14001 EMS, ISO 9001 QMS)
Fabrication Program and Schedule • Schedule reflecting key milestones for design and fabrication • Critical path analysis • Acceleration capability
Quality Management and Assurance • Quality management plan • Deliverable review, checking and verification procedures • Design data and assumption control • Quality management certification • Document control procedures
Local Content and Community Considerations • Proposal on how the firm will utilise local Tanzanian technical personnel and/or resources
OHS & EMS MANAGEMENT
HSE Management • Integration of HSEC-in-Design and HSEC-in-Construction principles and relevant standards into engineering hazard operability studies • Appropriateness of Safety management plan • Appropriateness of Environmental management plan • Safety Procedures • Incident statistics and management • Regulation Compliance

IV. How to express interest:

Interested applicants must submit their Letters of Interest ("LOI") by quoting **GGME02274 – REAGENTS EQUIPMENT FOR THE GEITA PROCESSING PLANT EXPANSION PROJECT** on the subject of the email together with supporting information to the Company, which states the full name, address, telephone, and e-mail address of the Company, name of the principal contact, and signed by an authorized representative.

All LOIs and supporting documentation (in PDF format) must be received by the Company via e-mail at **geita.eoi@aga.gold** without copying any individual from the Company. Submissions must not be later than **08:30 A.M** on **16 November 2026** (the "LOI" Submission Deadline"). EOI submissions must not exceed 10MB per email. In case the size of the email exceeds 10MB, applicants must split the submissions into multiple emails and arrange the files in order of sequences during submission with their title in the email subject

Shortlisted Candidates will be notified within forty-five (45) calendar days from the submission deadline. Candidates not contacted within the forty-five (45) calendar days should consider themselves unsuccessful.
