TECHNICAL CRITERIA (GGME02285)
Relevant experience: At least one contract extract, purchase order, completion certificate or client reference letter for similar work undertaken within the last five years. The document must identify the bidder, client, scope of work and dates.
Regulatory compliance and approved destinations (Mandatory): Copies of valid permits covering the proposed waste streams and collection, storage and transportation activities; receiving-facility approvals covering the relevant materials and activities; and a schedule matching each waste category to its proposed facility and management method. Identify proposed subcontracted transporters and operators. For third-party facilities, provide a signed acceptance letter or current receiving agreement naming the bidder and materials accepted. Where a permit is considered inapplicable, provide the basis and supporting evidence. GGML will submit shortlisted companies and their permits to the Vice President's Office for verification before appointment.
Transport, personnel and operational capacity: An equipment schedule showing the number, type and capacity of proposed trucks and equipment for contractor-supplied activities, supported by ownership documents, lease agreements or signed hire commitments. Demonstrate capacity to provide at least two suitable trucks per weekday when instructed, unless otherwise agreed. Include applicable inspection certificates and a staffing schedule identifying the supervisor, drivers, operators, loading crew and spotters, together with the proposed mobilization period following GGML notification. GGML will provide the agreed loading machinery and authorised operators.
Safety capability, work method and traceability: A task-specific method statement and risk assessment addressing segregation, loading, lifting, load securing, transportation and offloading; an emergency-response sheet covering spills, fire, injury and vehicle incidents; and sample forms for collection records, facility receipt and recycling/treatment confirmation. Forms must allow each load to be traced by reference, material type, quantity, dates and destination.

IV. How to express interest:

Interested applicants must submit their expression Letters of Interest ("LOI") by quoting **GGME02285 - PURCHASE AND MANAGEMENT OF SCRAP MATERIALS** on the subject of the email together with supporting information to the Company, which states the full name, address, telephone, and e-mail address of the Company, name of the principal contact, and signed by an authorized representative.

All LOIs and supporting documentation (Strictly in PDF format) must be received by the Company via e-mail at **geita.eoi@aga.gold** without copying any individual from the Company. Submissions must not be later than **8.30EAT AM on 30 November 2026.** (the "LOI" Submission Deadline"). EOI submissions must not exceed 150MB per email. In case the size of the email exceeds 150MB, applicants must split the submissions into multiple emails.

Shortlisted Candidates will be notified within forty-five (45) calendar days from the submission deadline. Candidates not contacted within the forty-five (45) calendar days should consider themselves unsuccessful.

V. Supplier Vetting Requirements:

As part of the Expression of Interest process, all interested applicants must initiate the AngloGold Ashanti supplier vetting process before the EOI submission deadline by contacting **Project_Commercial@aga.gold** quoting **GGME02285 - PURCHASE AND MANAGEMENT OF SCRAP MATERIALS** in the email subject.

Applicants will be provided with further instructions and any additional documentation required to complete the supplier vetting process.

NB: APPLICANTS WHO FAIL TO CONTACT THE DESIGNATED EMAIL ADDRESS TO INITIATE THE SUPPLIER VETTING PROCESS BEFORE THE EOI SUBMISSION DEADLINE WILL NOT BE CONSIDERED FOR SHORTLISTING.
